SELECTED REPORTED CASES

I have argued a number of cases of precedential value which have been reported in Pakistani law reports. They include:

- (i) *Constructors Association of Pakistan v. Pakistan Engineering Council* (Reported as **PLD 2020 Isl. 199**)

Successfully represented Respondent PEC in this case which concerned interpretation of the Standard Bidding Documents prepared by PEC for engineering contracts.

https://pakistanlaw.pk/case_judgements/614/constructors-association-of-pakistan-versus-pakistan-engineering-council-pec

- (ii) *Pakistan Engineering Council v. FoP and Other* (Reported as **2021 MLD 453**)

https://pakistanlaw.pk/case_judgements/13877683/pakistan-engineering-council-versus-federation-of-pakistan

An amendment to PEC's Engineering Education Regulations had been set aside by a Single Bench of the Lahore High Court. I successfully represented Appellant PEC in its Intra-Court Appeal and got the judgment reversed.

- (iii) *Reliance IT Solutions (Pvt.) Limited v. Federation* (Reported as **2021 MLD 1846**)

Represented a Swiss technology company in this case which concerned a challenge to a public procurement being carried out by the Federal Board of Revenue regarding Tracker Tracing System for Tobacco sector.

- (iv) *CM Pak Limited versus Pakistan Telecommunications Authority Others* (Reported as **PLD 2018 Isl. 243**) Also reported at: <https://globalfreedomofexpression.columbia.edu/cases/cm-pak-limited-v-pakistan-telecommunication-authority/>

The Petitioners whom I represented challenged the practice of network shutdowns on the basis of Section 54 of the Pakistan Telecommunications (Reorganization) Act, 1996. The Islamabad High Court accepted our petition and the Court's judgment in this case has been widely reported in the media and is considered a seminal precedent in Pakistan's free speech jurisprudence and telecom law. The case has also been profiled by the Columbia University's relevant website.

- (v) *Mahera Sajid versus SHO, PS Shalimar* (Reported as **2018 CLC 1858 Islamabad**)

One of the most seminal cases on the issue of missing persons and enforced disappearances. Successfully represented the wife of one such missing person. - (vi) *Shahid Tufail Khan versus ZTBL* (Reported as **2021 PLC(CS) 1130 Islamabad**)

Successfully represented an employee of ZTBL affected as a result of the policy of promotion adopted by the Bank. The Hon'ble Islamabad High Court accepted the petition, agreeing with the stance that the Bank had failed to comply with the judgment of the August Supreme
